All the best,
Ben, Chris and the committee

New committee members

For those who were here for our first concert, we now have three new committee members who will

each have a role at rehearsals:

Christina Leigh - taking subs

Hannah Scott - doing box office

Venue

For a map, please click [here](#).

We will be in the Performing Arts centre. To get to the entrance, enter the school from East Way through the rear car park and it's the big building on the right (see below).

Parking

There is limited parking on site. Please can this be reserved for those with large instruments, members of the committee and any others who feel they have a legitimate reason to park really close.

For everyone else, please park out on East Way (plenty of free on-road parking) and walk in via the car park at the back.

Items to bring

- Music stand
- A mug for your tea/coffee
- 40p contribution for refreshments (biscuits included!)

Preparation

A reminder that Tom has requested that you all have a look at your parts prior to the first rehearsal (mainly the Shost and the Sibelius). The Sibelius parts can be found [here](#) and the Shostakovich is [here](#).

The Shost isn't printable unfortunately as it's protected under copyright. Apologies!

Polite reminder

If you can't make a rehearsal and you haven't already told me, please do so by either ringing Chris (07917 859339) or emailing the Magna email address. Thanks.

20 October

Unfortunately Bournemouth School isn't available on 20 October. We're just confirming venue for that rehearsal but this is prior warning that it will be somewhere different.
